1. Introduction

Exceed Learning Partnership recognises that positive behaviour and good attendance are central to raising standards and pupil attainment.

This policy is written with the above statement in mind and this policy ensures that our academies:

- Promote pupils' welfare and safeguarding
- Ensure every pupil has access to the full-time education to which they are entitled
- Ensure that pupils succeed whilst at school
- Ensure that pupils have access to the widest range of opportunities when they leave us

For our children to gain the greatest benefit from their education it is vital that they attend regularly and arrive, on time, every day that the academy is open unless the reason for absence is unavoidable. Any absence affects the pattern of a child's schooling and regular absence will affect their learning. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parent/carer's legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

2. Definitions

2.1 Authorised and Unauthorised Absences

Every half-day absence from the academy counts as one session and this has to be classified by the academy (not the parent/carer) as either AUTHORISED or UNAUTHORISED. This is why information about the cause of absence is always required.

Authorised Leave of Absence is an absence from the academy for a valid reason such as:

- Genuine illness
- Medical/dental appointments which fall unavoidably in school time
- Other emergencies and exceptional circumstances as determined at the discretion of the Principal

Parents/carers are requested to provide written confirmation of any medical/dental appointments and, wherever possible, arrange these appointments outside of the school day.

Unauthorised Leave of Absence is an absence which the academy does not consider reasonable and for which no 'leave of absence' request has been agreed. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. This includes:

- Parents/carers keeping children off unnecessarily
- Truancy before or during the school day

- Absences which are not explained properly
- Pupils who arrive at school after 10am
- Pupils who have been permitted to stay up late the previous night
- Shopping
- Looking after other children
- Birthdays
- Day trips and holidays in term time which have not been agreed

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance should be addressed between the academy, the parents/carers and the child. If the parent/carer thinks their child is reluctant to attend school, then we will work with that family to understand the root problem.

2.2 Persistent Absenteeism (PA)

A pupil becomes a 'persistent absentee' when they fall below 90% attendance for whatever reason. Absence at this level is doing considerable damage to any child's education and we need parents/carers' fullest support and co-operation to tackle this. We monitor all absence and the reasons given thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and we will inform parents/carers immediately.

PA pupils are tracked and monitored carefully. We also combine this with academic tracking where absence affects attainment. All our PA pupils and their parents/carers are requested to attend an Attendance Support Plan meeting (ASP) and the plan may include allocation of additional support through the School Nurse or Education Welfare Officer. We may use circle time, individual incentive programmes, individual targets and participation in group activities around raising attendance. Persistent Absenteeism can also lead to legal proceedings and the issuing of Educational Penalty Notices (fines).

2.3 The Education Welfare Officer (EWO)

Parents are expected to contact the academy at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the academy may refer the child to the Education Welfare Officer (EWO) from the Local Authority.

He / She will also try to resolve the situation by agreement, but if other ways of trying to improve the child's attendance have failed and unauthorised absences persist, these Officers can use sanctions such as Education Penalty Notices or prosecutions in the Magistrates Court. Full details of the options open to enforce attendance are available from the academy or Local Authority. Alternatively, parents/carers or pupils may wish to contact the EWO themselves to ask for help and information. They are independent of the academy and will give impartial advice. Their number is available from the academy office or by contacting the Local Education Authority. If a child's attendance gives cause for concern and sickness is continually reported, support will be sought through the School Nursing team.

2.4 Children Missing Education

All schools, including academies and free schools, must monitor pupils' attendance through their daily register. We are in agreement with the Local Authority to inform them of pupils who are regularly absent from school or have missed 10 school days or more without permission. We must also notify the authority if a pupil is to be deleted from the admission register in certain circumstances. Pupils who remain on school roll may not necessarily be missing education but we should monitor attendance and address it when it is poor. It is also important that pupils' irregular attendance is referred to the authority. Schools also have safeguarding duties under section 175 of the Education Act 2002 in respect of their pupils, and as part of this should investigate any unexplained absences. Academies and independent schools have a similar safeguarding duty for their pupils.

Academies must also arrange full-time education for excluded pupils from the sixth school day of a fixed period exclusion. This information can be found in the school exclusions guidance.

If families move away from the area, or wish to transfer their child to another school, the Principal must be informed in writing. Children cannot be removed from roll until we have been notified by another school/academy that a place has been offered and accepted. Children who stop attending and who cannot be traced cannot be removed from roll. They are reported to the Local Authority Attendance Service. Where a child is missing from education, Local Authority guidance will be followed.

2.5 Children in Care

With early intervention, the academy can often prevent a pupil's non-attendance becoming entrenched. We aim to resolve any concerns regarding attendance and punctuality rates as soon as a problem arises. We seek the co-operation of the pupil's parents/carers, children's home, key worker/social worker, residential unit, etc., in resolving the pupil's attendance problems before involving an Education Welfare Officer (EWO). Good practice is that we would notify the social worker and EWO if a looked-after child has reached 10 consecutive sessions' absence.

If a referral to the EWO is made, the EWO will initially try to contact the pupil's parents/carers, either by telephone or letter, to arrange a home visit. The EWO will normally visit the child's home/place of residence to assess the situation and the visit will usually take place within five working days of the initial contact. On most occasions, the home visit will result in an action plan being prepared by the EWO. This plan will include proposed actions, timescales and intended outcomes, and will include details of what is expected from the pupil, the parents/carers, the academy and any other agencies involved. It will contain an agreed plan of action and dates by which improvement in attendance is expected. The EWO will try to secure everybody's commitment to adhere to the action plan. In order to measure the effectiveness of the EWO intervention, the pupil's attendance and levels of authorised and unauthorised absence will be closely monitored by the EWO. If, after EWO intervention, the pupil's level of unauthorised absence reduces to a satisfactory level compared to the level prior to the intervention, and this level of attendance is maintained, the EWO will liaise with the academy and continue to monitor the pupil's attendance for as long as necessary.

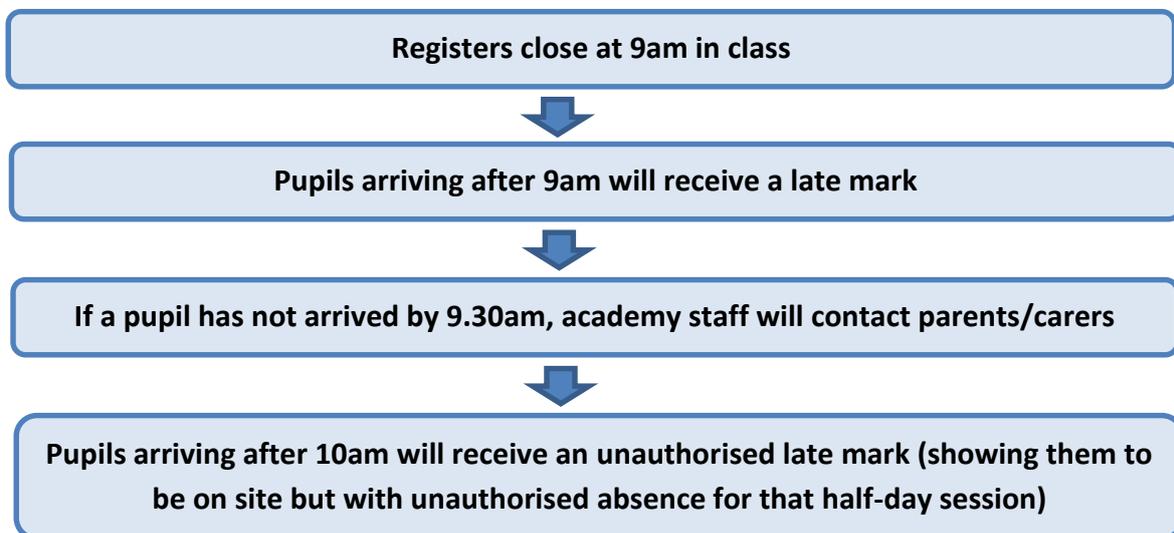

3. Punctuality and Lateness

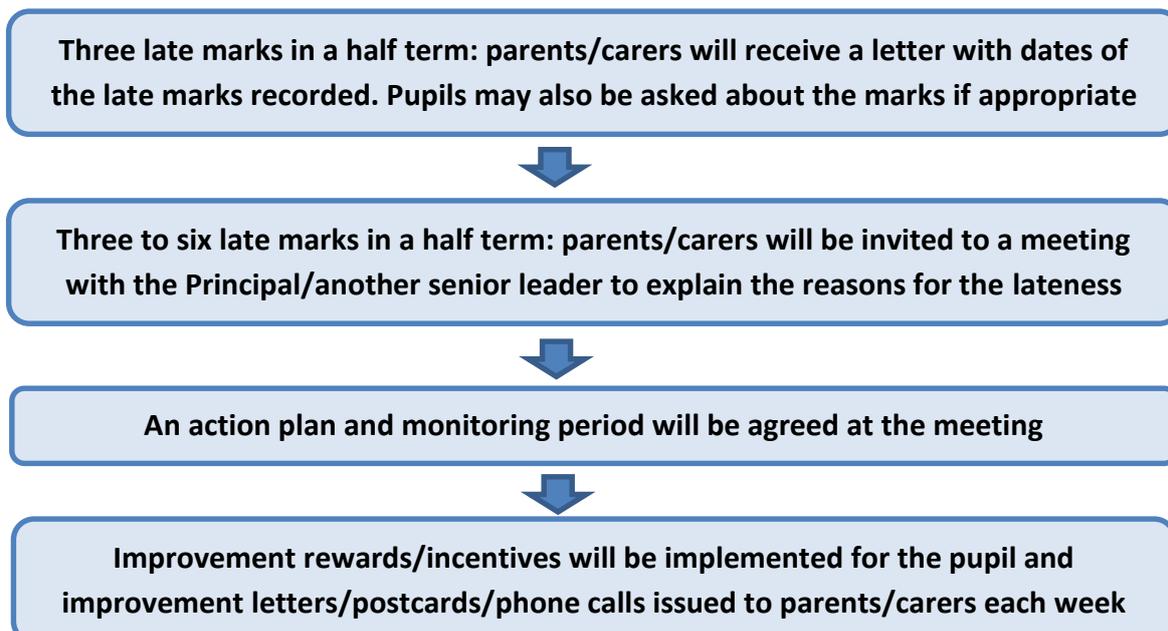

These procedures are also available in our attendance information booklet, which will be displayed for parents/carers on our academes' websites, Facebook and Twitter accounts at the beginning of each academic year.

Poor punctuality is not acceptable and all pupils must arrive on time. If a child misses the start of the day, they can miss work and do not spend time with their class teacher getting vital information and news for the day. The late arrival of pupils also disrupts lessons, which can be embarrassing for the pupil and can also encourage absence. Good time-keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world. We will encourage good punctuality by being good role models to our pupils and by celebrating good class punctuality.

How we manage lateness:

Late marks will be monitored and the following action taken:

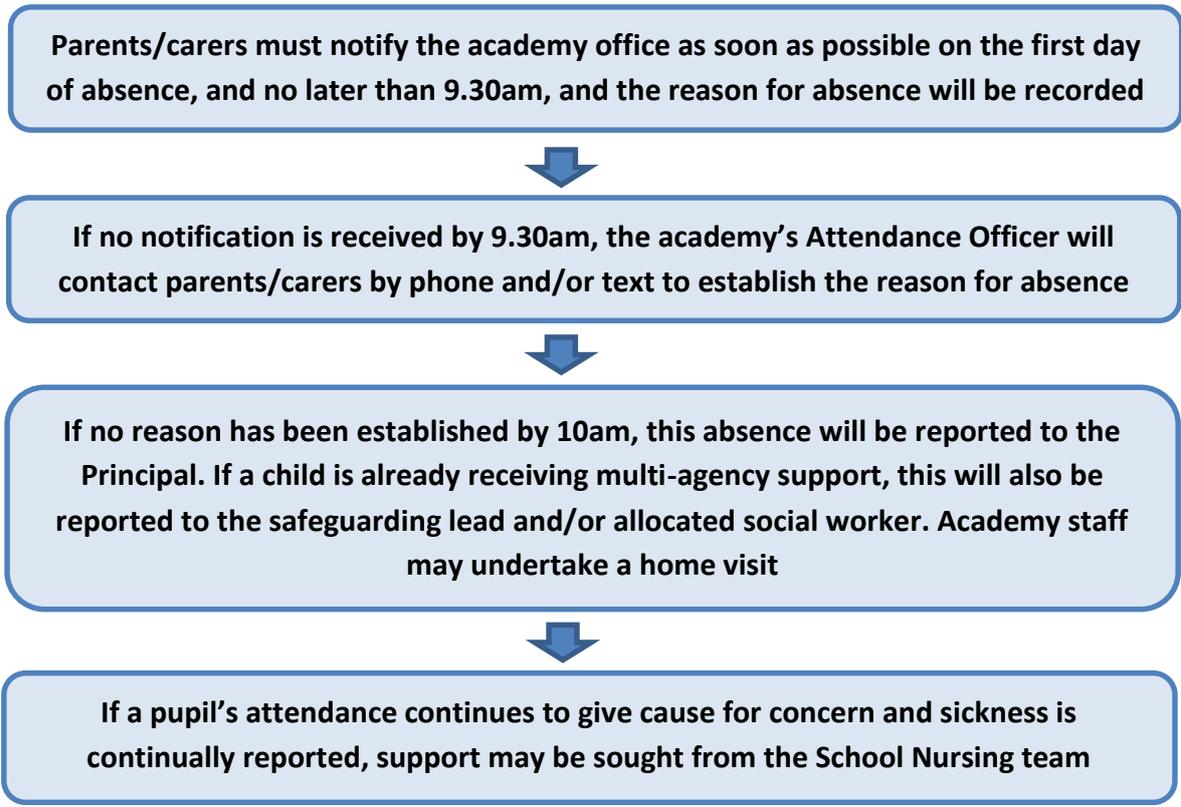

If lateness continues to occur, additional agency support will be required to ensure that the child's educational needs are met. **The academy can be approached at any time if there are any problems with getting a child to school on time.**

4. Daily Absence Procedures

These procedures are also available in our attendance information booklet, which will be displayed for parents/carers on our academies' websites, Facebook and Twitter accounts at the beginning of each academic year.

How we manage absence:

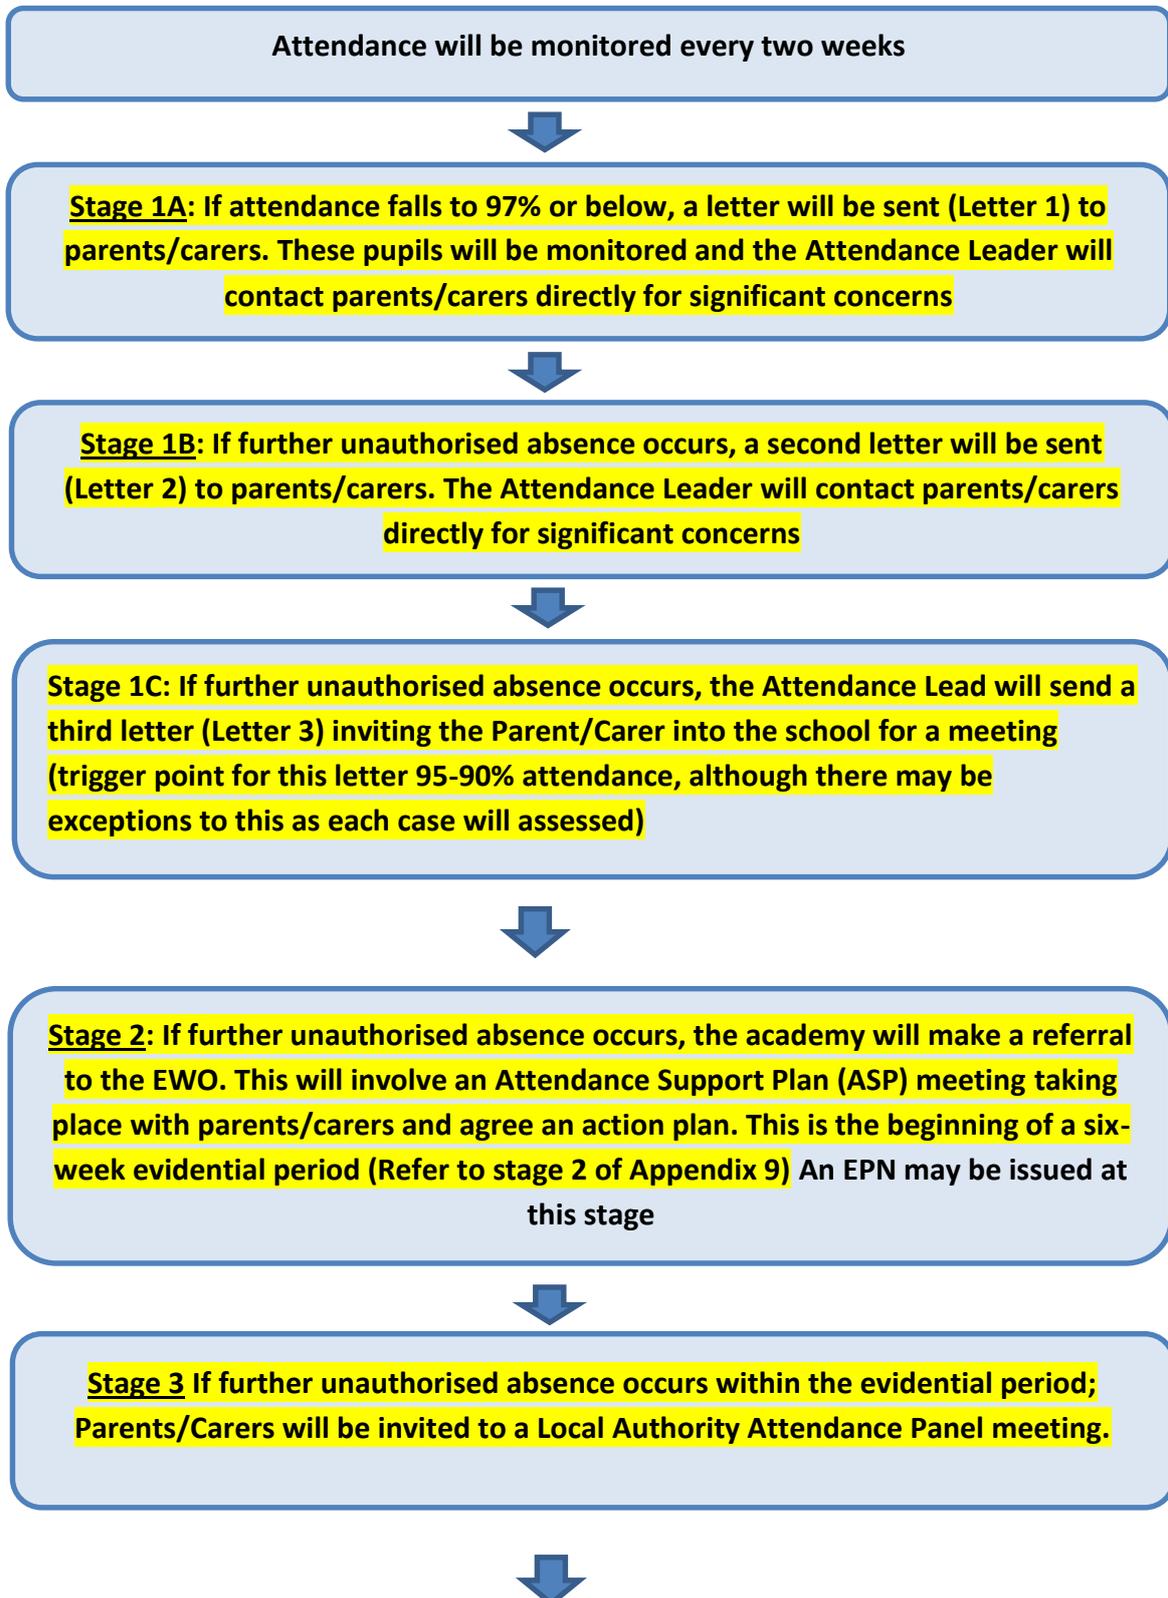

5. Unauthorised Absence Procedures

These procedures are also available in our attendance information booklet, which will be displayed for parents/carers on our academies' websites, Facebook and Twitter accounts at the beginning of each academic year.

How we manage unauthorised absence:

Stage 4: Attendance will continue to be monitored and, if further unauthorised absence occurs, the process will be re-instigated from Stage 2 and the Inclusion Support Plan reviewed and monitored for a further 30-day period

Stage 5: If further unauthorised absence occurs Parents/Carers will be invited to a caution/legal meeting by the Attendance and Pupil Welfare Service (identified in stage 2 of Appendix 9)

A second Education Penalty Notice could lead to automatic prosecution by the Local Authority under section 444 of the Education Act 1996.

Evidence for prosecution will include:

- Any evidence of engagement with parents/carers, both written and verbal conversations
- Summary of actions taken by the academy and outcome from these
- Action Plan agreed with parents/carers - if failed to meet then the academy will provide evidence of any additional support gained for the parents/carers (removing barriers to attendance)
- Principal's certificate of attendance (evidential period of six weeks)
- Section 9 Witness Statement

The process for prosecution will include:

- Review of the evidence by an Enforcement Court Officer (ECO)
- Parent/carer invited to a PACE interview (Police and Criminal Evidence Act)
- A decision will be made as to whether to prosecute
- Court summons prepared
- Court hearing prepared and date set
- Court outcome

6. Holidays in Term-time

Amendments to the Education (Pupil Registration) (England) Regulations 2006 make clear that from September 2013, **no holidays will be authorised by the academy in term-time.** Holidays in term-time will be recorded as unauthorised and will incur a fine, unless the below exceptional circumstances apply:

Exceptional Circumstances

1. Where it is company/organisational policy for employees to take leave at a specific time in the year and there is no opportunity for a family holiday in any of the school

holidays. This refers to full company close-down periods only and must be evidenced by the production of the policy document of the organisation.

2. Service personnel returning from/scheduled to embark upon a tour of duty abroad.
3. Other exceptional circumstances at the discretion of the Principal.

To request a holiday in term-time, parents/carers must meet with the academy Principal or another designated Senior Leader to obtain a holiday request form and explain the reasons for taking the holiday.

Any period of leave taken without the agreement of the academy, or in excess of that agreed, will be classed as unauthorised and will attract an Educational Penalty Notice. A separate penalty notice will be issued to each parent for each child who has unauthorised absence.

ADDENDUM

Applicable to 31st December 2021 only – *In circumstances where parents/carers have a booked a holiday that has to be re-booked due to Covid -19 and can only get availability for the change in term time. Parents will need to provide evidence of the original holiday booking and the changes offered by the holiday company. If this evidence is provided, then the holiday will still be classed as unauthorised absence, however, there will not be a penalty fine applied.*

7. Communication and Reporting

7.1 Communication within the Academy

- All teachers should be aware of legislation, the academy's attendance policy and procedures.
- All attendance should be communicated on a weekly basis with teachers and the 'key-focus' pupils identified
- Teachers should report any pastoral concerns to the Attendance Lead to support the process of attendance

7.2 Communication with Pupils

- Attendance should feature regularly in academy assemblies
- The EWO should be invited to conduct an assembly with pupils at the start of each academic year
- Pupils should be allowed to undertake assemblies about the importance of attendance
- Teachers should devise systems with pupils on how attendance can be improved and how they can arrive at school on time
- Specific rewards should be implemented and reviewed e.g. reward postcards for pupils who have strong attendance and who arrive at school on time
- Attendance should be publicly celebrated each week with the highest-attending class on Facebook and Twitter (and improvements of individual pupils if permitted)

7.3 Communication with Parents

- Overall academy attendance should be reported in our newsletters
- Teachers should report to parents/carers annually on their child's attendance within the annual school report
- Attendance Officer should contact parent/carers should their child's attendance drop towards the academy's target
- Academy staff should offer support and work with parents/carers to resolve issues affecting pupils' attendance
- Good and improving attendance should be celebrated by awarding certificates, trophies and other rewards incentives and events (to be determined within each individual academy)

7.4 Report Information for Governors

- Attendance levels each term for all groups, including the number of days as well as percentages and ensuring the report is cumulative as the year progresses, not just on a single-term basis)
- A comparison to the previous year's attendance
- Any low-attenders (lowest 10%) from the previous term with evidence that they are improving over time
- Overall persistent absence levels, compared to national figures
- Persistent absence pupils, with each stage outlined for governors and the actions implemented (pupil names must not be included in governor reports)
- A link between attendance levels to the impact on attainment e.g.

	Attendance	Autumn Attainment	Summary
Pupil A	79%	W2	On track – no impact
Pupil B	82%	B	Not on track - impact

The academy has a legal duty to publish its absence figures to parents/carers and to promote good attendance. Equally, parents/carers have a duty to make sure that their children attend. All academy staff members are committed to working with parents/carers and pupils as the best way to ensure as high a level of attendance as possible.

Pupil's Name

According to our records, **(name)** has been late arriving at school a total of **(number)** times since the beginning of **(half term)** in **(month)**.

The **(number)** occurrences of lateness equate to **(number)** minutes of lost learning time. This not only causes some disruption to the class but affects **(name)**'s learning considerably as **he/she** is missing out on vital skills and sessions that run during registration time. Please be aware that for any future occasions of lateness, **(name)** may be asked to catch up on the minutes **he/she** has missed that morning, possibly at break.

We will continue to monitor **(name)**'s punctuality and hope to see an improvement over the coming month.

May I please remind you that school starts at **(time individual to academy)**.

If you have any concerns relating to **(name)** that you would like to discuss, please contact the academy office staff who will arrange an appointment for you to come in and see me.

Yours sincerely

Dear

Pupil's Name

At **(insert Academy Name)** we are committed to providing high quality education and improving outcomes for all our Pupils. In order for a child to reach their full potential, we expect a high level of attendance at school, so they are able to maximise their learning and achievement.

I enclose a copy of **(name)** attendance record which shows an attendance of **() %**

As you will see, our records show **(name)**'s attendance in school has fallen below the school target of 97% and we are expressing our initial concerns. It is appreciated that young people sometimes become unwell, but as parents it is important to be aware of the level of your child's school attendance, as it may have a detrimental effect on their educational attainment

I will continue to monitor **(name's)** attendance and, with your co-operation, I would anticipate an improvement. I may take the opportunity to speak with your child in school should I feel this is an appropriate action in raising attendance.

If you wish to discuss this matter further, or are experiencing any difficulties, please do not hesitate to contact me.

Yours sincerely

Dear

Pupil's Name

As you are aware from my previous letter, we have been monitoring **(name)**'s attendance very closely. **His/Her** attendance record states that **he/she** only attended **(number)** sessions out of a possible **(number)**, which gives an overall attendance figure of **(percentage)%**. This as you can appreciate is a cause for concern as Government guidelines state that average attendance in school is 97%.

Following Government guidelines, I must inform you that I can no longer authorise any absences and attendance will be closely monitored from this point. I would appreciate it if you could ensure that **(name)**'s attendance improves so that no further intervention is needed. I do however need to make you aware that if **his/her** absence continues to decline, I will have to consider making a referral to the Local Authority Education Welfare Officer for further intervention.

The Officer will endeavour to support you but they have a statutory responsibility to ensure regular attendance is maintained and so may need to follow the enforcement procedures that have been set by the Local Authority.

If you have any questions regarding this letter, or would like to discuss any private circumstances that are causing short term difficulties regarding attendance, please do not hesitate to contact me.

Yours sincerely

You may recall my letter dated (.....) expressing concern with (Name) current level of attendance. Since that letter there has not been the anticipated improvement and I would therefore like to invite you to a meeting in school on, at this will give us the opportunity to look at the issues causing irregular school attendance and if appropriate, put in a suitable support plan to help you with this.

I enclose a copy of (name) attendance record for your information, which will for part of our discussion during the meeting.

I must also advise you that it is the decision of the Academy Principal as to whether an absence is authorised or not, taking into account the reason provided. Due to (Name's) continued irregular school attendance, we now require medical confirmation to support any future absences, which will enable us to make an informed decision whether to authorise the absence.

I look forward to meeting you to discuss how we can work together to improve attendance.

If you are not able to attend the above appointment, please contact me as soon as possible so that an alternative date can be arranged.

Yours sincerely
