Curriculum Intent

Rosedale's French curriculum aims to equip pupils so that they:

understand and **respond** to spoken and written language from a variety of authentic sources.

speak with increasing confidence, fluency and **spontaneity**, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation.

can **write at varying length**, for different purposes and audiences, using the variety of grammatical structures that they have learnt.

discover and develop an appreciation of a range of writing in the language studied.
