

Expressive Arts and Design

Art

We will be continuing our focus on Piet Mondrian and also looking at similar artists with similar techniques.

DT

We will be using tools and resources to allow us to learn new skills.

Literacy

Phonics: We will be securing our knowledge of digraphs and trigraphs by applying this knowledge to our reading.

Writing: We will be using our knowledge of phonics to write words by writing the phonemes we can hear. We will be practicing our 'Smashing Sentences'. A smashing sentence has a capital letter, finger spaces, and a full stop.

Reading: The children will read with an adult twice a day. As a class we will be sharing a variety of stories based around our new focus of 'Farming and Growing'.

Communication and Language

We will be learning new topic related vocabulary. Adults will ask questions to check what the children have learnt. Children will continue to work out problems and make links between their understanding.

Physical Development

Fine Motor Skills: We will be having daily handwriting sessions and developing our fine motor skills through engaging with the funky fingers area in the classroom.

Gross Motor Skills: We will be having PE sessions to develop our body control. We will be exploring different types of movement. Using equipment and also strengthening our body coordination. We will also be accessing our outdoor classroom everyday to further develop our skills and apply our knowledge.

PSED

The children will return to school ready to apply their understanding of rules in the setting. Children will be learning to follow rules and routines. Children will learn how we care for certain animals. Children will take part in a daily PSED session where they can talk about theirs, and others feelings.

Mathematics

In maths the children will be learning about 'To 20 and Beyond', 'First then Now', 'Find my Pattern', and 'On the Move'.

The children will further develop their mathematical skills with spatial reasoning and numbers.

Understanding the World

Geography

In Geography we will be focusing on the key question 'How is the countryside different to the city?'

History

In History we will be focusing on the key question 'How have farms changed?'

Science

In Science we will be focusing on the key question 'How does my food go from farm to fork?'

RE

In RE we will be focusing on different beliefs, special places, special people and special times.

Computing

In computing we will be learning about Esafety.
