**Queen's Platinum Jubilee Celebration – 70 years of being our Queen.**

We discussed Ideas for celebrating within school. Due to COVID restrictions we agreed individual classroom based were best for now.

We would like to celebrate on the run up to the actual date, we will discuss with Mrs Gallacher what day and how long the celebrations should last, we will see if it is to be a week long, for the day or when it suits Teachers for their class.

We know that officially the big celebrations will be in June and hopefully by June the COVID restrictions will have been relaxed and we can celebrate as a whole school for a get together with a Picnic or a party outdoors, with drinks and food.

It was suggested to have
