

Dear parent/carer,

We're pleased to let you know that we're now using DoodleMaths, the award-winning home learning programme, with your child's class!

A little bit about DoodleMaths

Doodle builds confidence and ability in maths by creating every child a personalised work programme tailored to their strengths and weaknesses. Using Doodle for just 10 minutes a day is proven to help children make three months of progress in just one month!

How to get started

1. Watch the following video with your child/ren: <https://vimeo.com/398785961>
2. Download the **DoodleMaths** app onto an Apple, Android or Amazon device. You can also log in to the Doodle programmes through Doodle's website (doodlemaths.com) on laptops and desktops by clicking 'log in' and choosing the correct programme. Follow the instructions in the video above for more information on how to log in
3. Use the **username** and **password** provided by your child's teacher to log in to Doodle. You can use the same login details to access **DoodleTables**

Support for parent and carers

- Link your email address to your child's account by logging in to Doodle, tapping on the arrow icon in the top left-hand corner and selecting Settings > Parent details. Or, visit parents.doodlemaths.com and head to Manage > Subscriptions.
- You'll then be able to view your child's progress by visiting parents.doodlemaths.com or downloading the free **DoodleConnect** app on Apple and Android devices.
- Doodle are running free webinars to help parents get started with the programme. You can access them here: doodlemaths.com/free-parent-webinar

If you have any questions about Doodle, please visit help.doodlehq.com or speak to the Doodle Team by clicking on the green chat icon on doodlemaths.com.

Happy Doodling!
